ACCESSING VEHICLE NOTES BROUGHT OVER FROM CDK

- In cases where serial numbers were entered into CDK (ie: Braun, Ricon, OnSpot), this information can now be found with in Vehicle Notes in Procede. To access these notes:
 - Go into Vehicles and find the unit are looking for
 - Click on the desired vehicle to highlight it
 - Select Open Notes from the top menu bar

- Scroll past any Service History and click on Vehicle Notes (this will only exist if there was data to bring in from CDK) - Any available data will appear in the display
