We offer custom web-based training on the following topics:

MaxxForce Engine

- 2007 MF Aftertreatment (AFT) System
- 2010 MF 7 Engine-to-Chassis Interface
- 2010 MF 7 for Technicians
- 2010 MF DT, 9, and 10 Engine-to-Chassis Interface
- 2010 MF DT, 9, and 10 for Technicians
- SIR – 2007 Emissions Fundamentals

PSI Propane Engine

- PSI 8.8L LPG Engine Fuel System Service Procedures
- PSI 8.8L LPG Engine Fuel System
- PSI 8.8L LPG Engine Overview
- Propane 101

PSI Gas Engine

- 2018 PSI 8.8L Gasoline Engine Overview
- 2018 EVAP System Diagnostics
- 2018 Gasoline Fuel System Overview
- Spark Ignition 101

Electrical System Series Basics

- Program I: Fundamentals
- Program II: Circuits
- Program III: Wiring
- Program IV: Connectors
- Program V: Multimeters
- Program VI: Motors, Solenoids, & Relays
- Program VII: Diodes, Resistors, & Transistors

Steering Package:

- Measuring Front Axle Toe
- Program 1: Pumps
- Program 2: Steering Gears
- Program 3: Integrated Hydraulic Brake Booster
- Program 4: System Troubleshooting
- Program 5: Common Service Procedures

IC CE Bus

- Program 1: Orientation
- Program 2: Full Power Brakes
- Program 3: Electrical Introduction
- Program 4: Unique Repair

Diamond Logic Builder

- DLB Manuals
- DLB Introduction and Usage Series
- Introduction to Diamond Logic Electrical System
- Generation 4 Body Controller Overview

Air Brake Systems Series

- Program I: System Theory & Components
- Program II: System Operations & Inspections
- Program III: System Tests
- Program IV: Supply System Component Tests
- Program V: Actuation System Component Tests
- Program VI: Common Service Procedures

Electric Vehicle:

- Electric Vehicle Diagnostics and Service
- Electric Vehicle Powertrain and Chassis Overview
- High Voltage Safety
- IC Bus Electric CE Series Overview and Walkaround
- International eMV Overview and Walkaround
- Charging Your Electric Vehicle
- Driver Training Electric IC Series School Bus

Other Topics:

- iKnow Program 1: Orientation and Navigation
- OnCommand Parts Information for Fleets
- Performance A/C Program 1
- Bendix Wingman Fusion System Overview
- RollTek Rollover Protection System

Additional training and resources can be found on our website under the Service and Training tabs:
